Fall 2011 - "Architecture for Health" Visiting Lecture Series

China: Toward Improved Health Care and Health Facilities in the Future

世界医疗建筑系列中国专题：展望医疗健康事业的前景

Global Practice in Healthcare Design — China Lecture Series

Background

China's population is estimated at approaching 1.4 billion people in 2011. Along with a growing aging population, a large rural to urban migration, and a growing economy - the needs and expectations for appropriate and accessible quality health and hospital facilities in China are skyrocketing.

The Fall 2011 "Architecture for Health" Visiting Lecture Series will focus on China. Leading experts from China as well as others who have had significant experience in completing successful projects in China, will share their knowledge and expertise during this semester long series on most Wednesdays at 11:30 am in the Wright Gallery.

Patrons, Donors and Sponsors

We wish to express our appreciation to both Ronald L. Skaggs, FAIA and Joseph G. Sprague, FAIA for their generous support of this series thru the Endowed Chair in Health Facilities Design that they have created.

Joseph G. Sprague, FAIA, FACHA, FHFI, Senior Vice President / Director Health Facilities, HKS; Past President of the ACHA-American College of Healthcare Architects. Donor of the Skaggs-Sprague Endowed Chair in Health Facilities Design.

Ronald L. Skaggs, FAIA, FACHA, FHFI, LEED® AP, Chairman Emeritus, HKS, Adjunct Professor of Architecture, College of Architecture, Texas A&M University. Donor of the Ronald L. and Sondra Skaggs Endowed Professor in Health Facilities Design and The Skaggs-Sprague Endowed Chair in Health Facilities Design.

Fall 2011 "Architecture for Health" Visiting Lecture Series

The "Architecture for Health" Visiting Lecture Series meets regularly on Wednesdays at 11:30 am in the Wright Gallery, 2nd Flr. Langford Architecture Center, Bldg. "A", Texas A&M University. There will be some additional speakers, - names, topic, time, and place TBA (to be announced). Meet and listen to distinguished visiting lecturers in the allied healthcare and design and building professions discussing relevant issues related to improving healthcare, and sustainable healthcare facilities design. Register for 1 credit hour of ENDS 481, Section 500 for undergraduates - or Architecture 681, Section 601 for graduates, AND / OR OPEN TO THE PUBLIC. Course Requirements- class attendance and hand in a notebook with 1 page summaries of all the lectures. For further information please call Judy Pruitt at 979 845 7009.
